Prevent Falls in All Industries

**10:30-11:30 AM
5.4.2021**

Falls are a major cause in workplace deaths and injuries. The annual Fall Stand Down often focuses on construction. We in this event will focus on slips, trips, and, falls across all industries. OSHA will kick off the event and then we will discuss strategies for preventing slips, trips, and falls using the hierarchy of controls. We will also challenge employers to act and get involved. You will gain valuable resources to use in the future.
