Engaging Millennials in Safety

11:00 a.m. - 12:00 p.m.
August 10, 2021

The millennial generation takes a different approach to communications, learning, and retention of information compared to other generations. During this webinar we will discuss how best to train, educate, and reinforce safety principles for the millennial generation while engaging all other generations within your workforce.

* BWC is accredited by IACET to offer 0.1 CEUs for this webinar. Completion of this webinar also qualifies for a variety of BWC discount program credits based on employer participation.

- To receive 1 hour of online training credit for BWC programs, provide a BWC policy number during registration, attend the whole session, and pass the knowledge assessment.
- When your registration is complete, you will receive a confirmation email with instructions for joining the webinar. It is recommended you click the link within your email approximately five minutes before start time.
