GOVERNOR'S LITERACY INITIATIVE

2

WHY EARLY LITERACY?

- 80% of a child's brain is developed by the time they are three years old.
- Vocabulary development by age 3 has been found to predict achievement by third grade.
- Children with as few as 25 books in the home complete an average of two or more years of school than those with no books.

3

DOLLY PARTON'S IMAGINATION LIBRARY OF OHIO

4

ELIGIBILITY

- All children from 0-5 years old in Ohio
